

# Summit Project Plan

---

## Project Title

AP Capstone Implementation

## District/ Organization

Racine Unified School District

---

## Project Description

The goal of the project is to implement AP Capstone course options that provide students the opportunity to learn 21st century skills.

Students will be given skills to overcome speaking, listening, and writing obstacles. Also the capstone would focus strengthening maturity with individually-motivated projects, teamwork skills, presentation, and speaking skills.

The courses are would be suitable for students at all levels. The presentation, interview, speaking, and writing skills obtained in the AP Capstone courses is beneficial for students of all backgrounds, motivation, and economic levels.
